

EVOLVING GCC CONVERSION PROSPECTING NEW HORIZONS

11 - 12 JANUARY, 2015 | CONRAD HOTEL, DUBAI, UAE

Now in its sixth year, GPCA PlastiCon 2015 will provide an up-to-date view on trends and developments in the regional and global plastics industry, including detailed information on resin demand, future growth, end use patterns and new investment opportunities. The event is a unique platform for converters and resin producers to exchange ideas for growing the regional plastics conversion industry.
