Saudi Elenex & Aircon Exhibition

The 20th edition of Saudi Elenex & Aircon Exhibition

2017

The 20th edition of Saudi Elenex and Saudi Aircon exhibitions was concluded on the 16th of May 2017, at the Riyadh International Convention and Exhibition Centre,

With the support of the Saudi Electricity company, and Saudi Standards Metrology and Quality Org. (SASO), the exhibition that included several energy related seminars and workshops, witnessed a wide number of visitors. More than 12 countries from around the world were represented during the show, in addition to the presence of more than 110 exhibitors specialized in the energy and electricity sector, and consumption rationalization of cooling, air conditioning and ventilation energy.

The organizing company received a lot of positive feedback from visitors who expressed their satisfaction towards the exhibition and its participants. They witness firsthand, the latest developments and innovations of the electricity sector, in addition to the latest environmentally friendly trends, using renewable sources of energy to achieve sustainable development in the future.

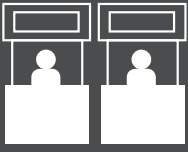

In this context, Riyadh Exhibitions Company, said: "The exhibition is considered an important platform to explore big investment opportunities, and benefit from the experiences of international companies in the field of renewable energy, and to preview the latest achievements in the energy, electricity, cooling and lighting industries".

"During the exhibition that lasted for three days, 10 new contracts were previewed in different fields in the presence of a number of Saudi and foreign companies".

Riyadh Exhibitions company, the organizing company, was keen to launch this show, to ease relationships between participants, and establish commercial and professional relations and partnerships with their counterparts from the international exhibitors and to contribute to meet the increasing needs of the local market in the electricity and energy sector.

Saudi Arabia

List of Exhibits

ELECTRICITY

- Power Stations
- Power Plant Equipment
- High Voltage Transmission
- Distribution Networks
- Switchgear Products
- Transformers
- Diagnostic Equipment
- Monitoring & Control
- Portable Generators
- Electrical Engineering
- Electrical Supplies
- Switches and Controls
- Cables and Wiring
- Power Protection

ALTERNATIVE ENERGY

- Solar Energy Concentrate
- Photovoltaic Solar Energy
- Onshore & Offshore Wind Energy

- Biofuels
- Subsoil Heat Energy

WATER

- Central Control Systems
- Conservation Techniques
- Desalination Plants
- Drainage Systems
- Effluent Water Treatment
- Remote Sensing
- Hygrometers
- Pipes & Fittings
- Reverse Osmosis Units
- Valves and Gauges
- Water Analysis & Testing Equipment
- Water Management & Distribution Net
- Water Management Tools
- Water Meters
- Water Purification

- Water Reclamation
- Water Storage Reservoirs

- Water Temperature Control
- Water Treatment Chemicals

LIGHTING

- Chandeliers
- Ornamental Fittings
- Concealed Fittings
- Display Lighting
- Fluorescent Lighting
- Large Area Lighting
- Residential Lighting
- Antique Fittings
- Modern Fittings
- Garden Lighting
- Outdoor Lighting
- Security Lighting
- Flood Lighting
- Street Lighting
- Switches & Controls

AIRCON

- Central Units
- Instrumentation & Controls
- Central Cooling Technology
- Ducting Systems
- Components & Spare Parts
- Ventilation Systems
- Refrigeration & Cooling
- Industrial Fans
- Vents & Grills
- Large Capacity Food Storage
- Supermarket, Hotel & Restaurant Refrigeration
- Cooling Engineering
- Process Cooling Systems

Testimonials

Engineer Mansour AlQahtani - Kingdom of Saudi Arabia
Chief Executive Officer / Saudi Electric Company

We are pleased to sponsor this exhibition annually and this is the 12th successive year in which we sponsor the exhibition for its importance and very high value that add to the electrical industry and the development of service in Saudi Arabia.

Mr. Zaid bin Sadd Alarfaj - Kingdom of Saudi Arabia
Delegate member / Al Quraishi & Co. for Electrical Services.

I am pleased that this is the second successive year that we have participated in this exhibition. Thankfully, we have seen a great turnout. This year we took bigger space for our conviction of the importance of the exhibition and the quality of the visitors who attended this exhibition among important people and decision makers, was very encouraging.

We thank the organizers of the exhibition for their distinguished service.

Mr. Khalid Rida Mohammed Khalil - Deputy General Manager / Saudi Energy Technology Company
Member of Abdul Latif Al Arfaj & Brothers Holding Group - The Arab Republic of Egypt

We have been in Saudi Arabia for 13 years and we specialized in power generation and energy solutions and accredited by many government agencies in the Kingdom and by private sector. Every year the show organization is getting better with remarkable progress.

This is the eighth year that we are participating in the exhibition and we will participate again in 2018, due to the importance of the exhibition.

Abdulahdi Khalid Hussain - Orab Al Jazeera Foundation the agent of LIPER Company
LIPER Company is a German technology and China Manufacture

The exhibition is very good and God willing we will be one of the participants next year.

Most of the visitors who have visited our stand are specialists and this is what companies are looking for.

**Looking forward
to welcoming
you to the 2018
Edition of the
