Keep your finger on the pulse of your event and make faster, more informed decisions.

WHITE LABEL

Your brand. Our quality.

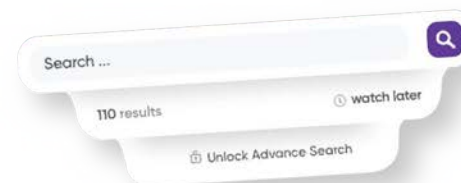

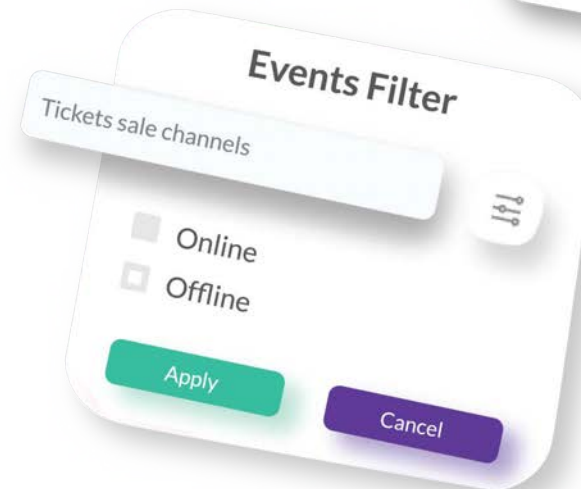

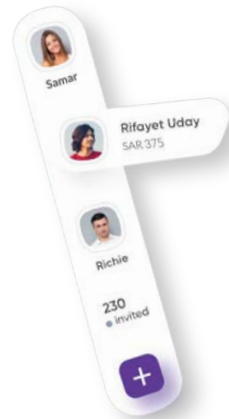

White label solutions allows you to utilize your business's unique branding and offer a fully integrated ready-made software. Whether you want to use bhive plug-ins on your existing platform or build a whole new system leveraging bhive's state of the art technology.

CUSTOMIZATION

We understand that each event have specific needs.

Driven by our passion for technology, we are eager to listen to your specific needs and build the powerful custom technical solutions that will increase your success.

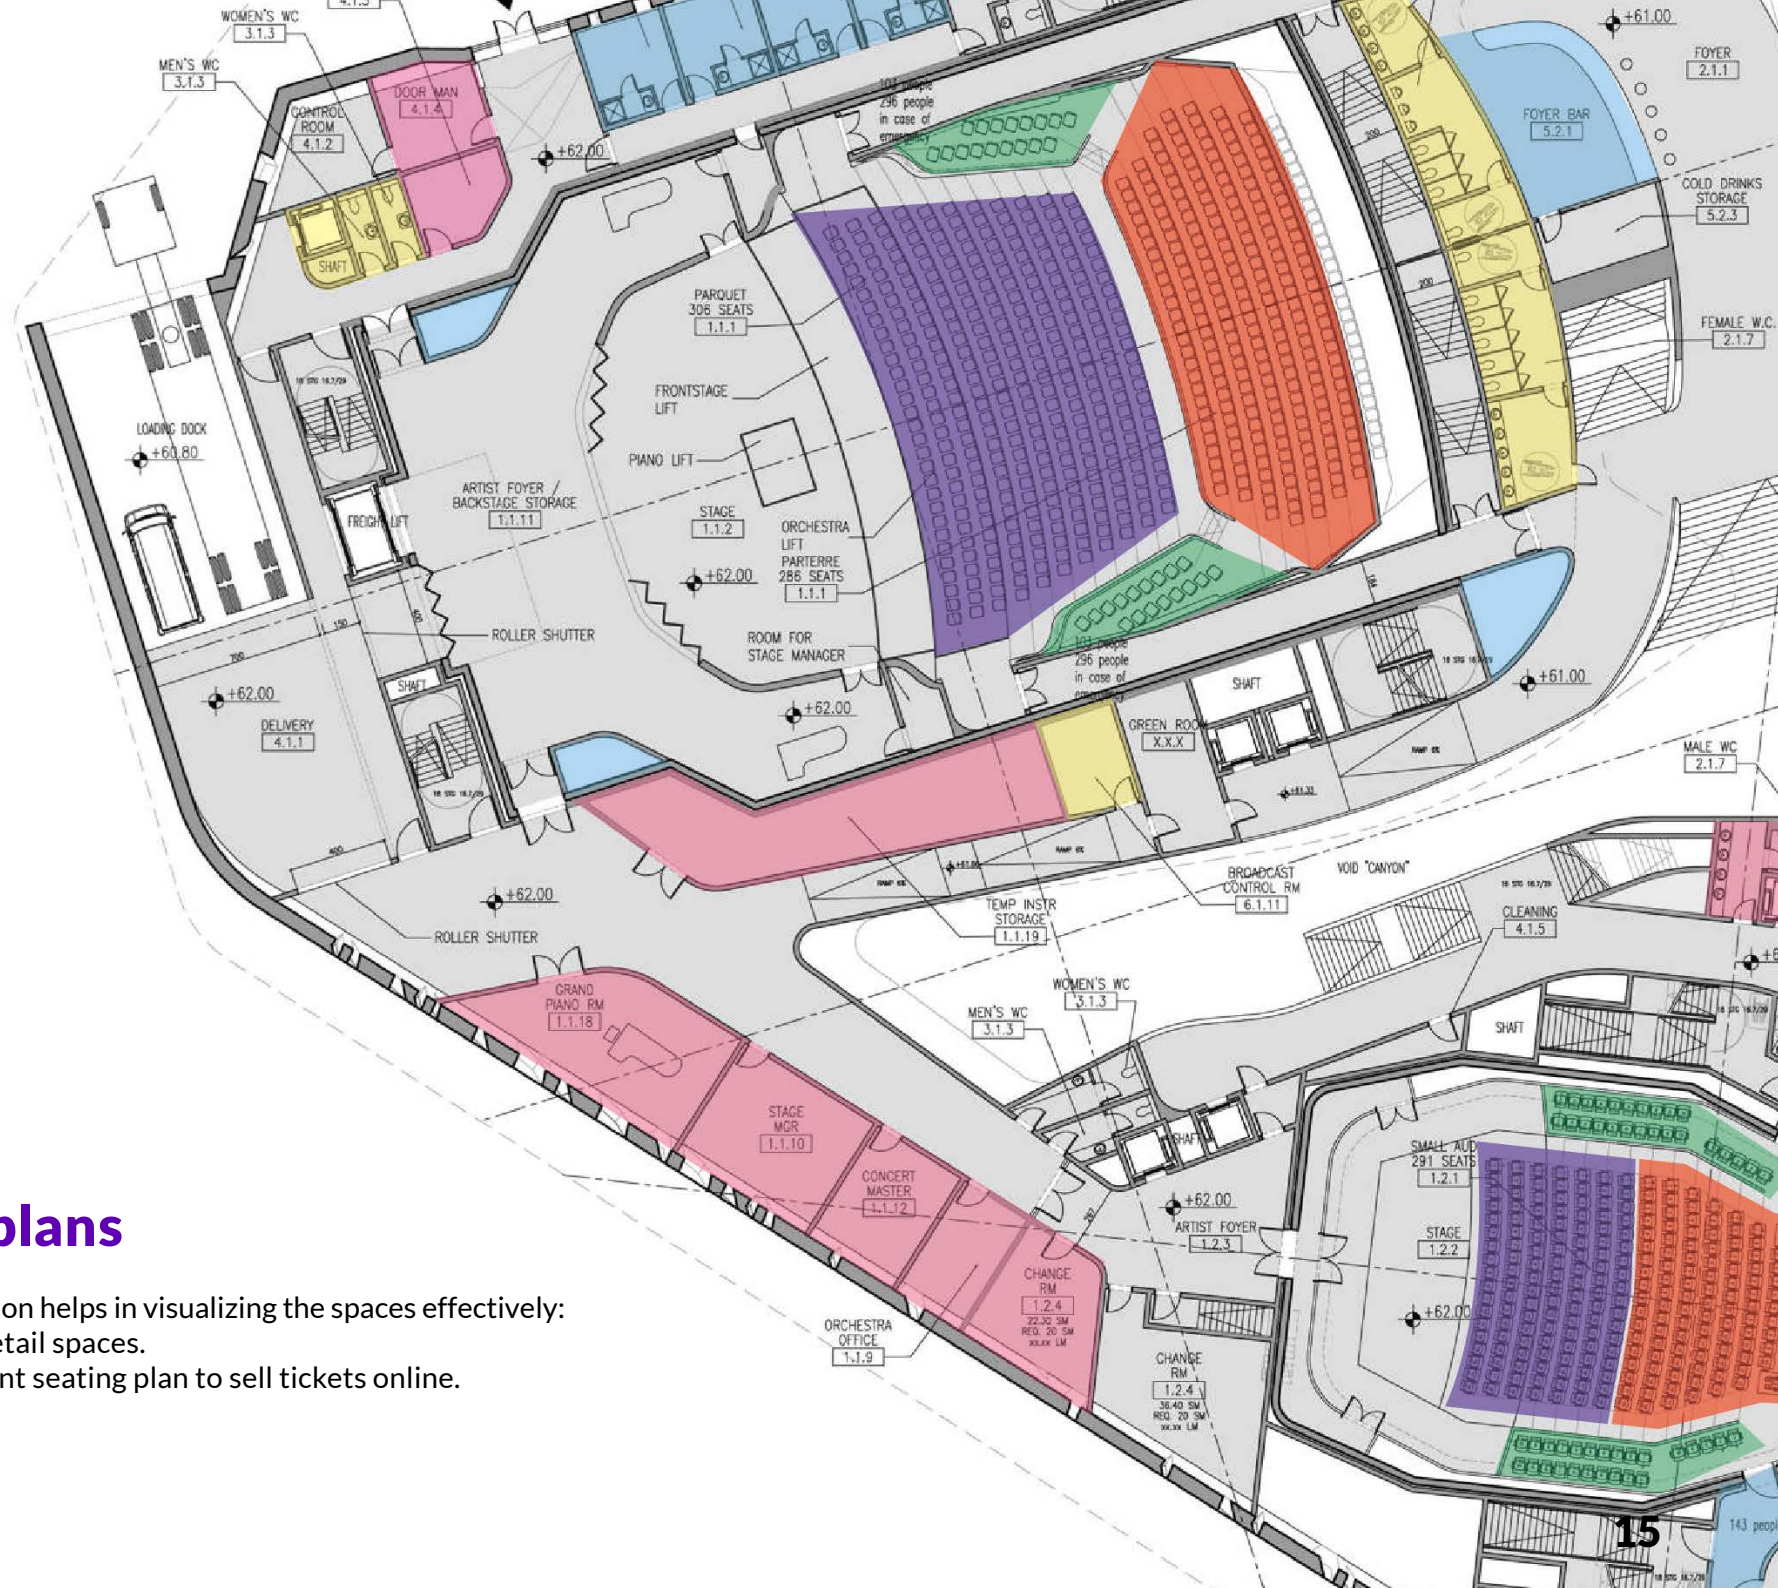

SMART FLOORPLANS

Smart floor-plans

Our smart floor-plan solution helps in visualizing the spaces effectively:

- Highlight your event's retail spaces.
- Create a hassle-free event seating plan to sell tickets online.

EQUIPMENT

We put into place a range of hardware devices and equipments to augment your attendees experiences.

STAFF

A fully trained professional staff are always up to meet your expectations. Organize your event, manage check ins and registrations at the gates.
