## INTRODUCTION

Ever since its launch in 2018 and under the theme of **“Reinforcing a Sustainable & Inclusive Business Environment”**, the Saudi Law Conference has been a platform that connects the legal community.

After the massive success of its two previous editions, Burhan Almarifa is pleased to announce the launch of the 3rd edition of the Saudi Law Conference, which will be held virtually from June 6th to 10th 2021. The conference will include key topics in the legal field in the Kingdom of Saudi Arabia:

### PRIVATIZATION

Especially with the issuance of the new private sector Participation Law

### FUNDING

The legal challenges facing funding and proposed legal solutions

### RENEWABLE ENERGY

The current legal state and transformative journey of renewable energy

### EMERGING LEGAL SECTORS

## OBJECTIVES

The Saudi Law Conference has proven to be a **UNIQUE SOLUTION-DRIVEN EVENT**. This year's conference is a platform where experts can:

## 01

### SHARE

experiences in finding solutions to the legal challenges facing privatization, renewable energy regulations & funding.

## 02

### EXPLORE

recent developments in the Private Sector Participation Law, the transformative journey in renewable energy & emerging sectors within the legal field.

## 03

### ACCELERATE

innovation within the Saudi legal system in the fields of privatization, renewable energy, financing and emerging legal sectors.

## WHO SHOULD ATTEND

The Saudi Law Conference will gather the local and international leading legal professionals and experts, including:

- Public officials
- In-house councils
- Heads of law firms
- Lawyers
- CEOs
- Business owners & their Consultants,
- Compliance department staff
- Banks
- Investors
- Investment firms & funds
- Entrepreneurs
