

PROJECT MANAGEMENT ECOSYSTEM THE JOURNEY TO EXCELLENCE

MESSAGE FROM THE PRESIDENT

It is our pleasure at PMI-KSA Chapter to invite you to join us at the second edition of GPMF 2023, Saudi Arabia's most diverse conference for project management professionals. To be organized in June 2023 under the theme: "Project Management Ecosystem: The Journey to Excellence", GPMF 2023 will explore the Giga Projects from a different perspective in the ecosystem such as Governance, Value-chain, Economics & Sustainable Social Impact.

In this edition of GPMF, PMI-KSA Chapter will continue taking the lead in developing the project management profession in the kingdom by hosting renowned keynote speakers and subject matter experts. Our guests will share with the community their knowledge, experiences, and the latest developments in our profession. Also in this edition's exhibition, we are opening the doors for renowned organizations and companies to showcase their services, tools, and technologies that support and empower the project ecosystem.

Looking forward to seeing you all at the event, where we will learn as well as share experiences and knowledge to excel in our Project Management profession.

Badr M. Burshaid

President, Project Management Institute KSA Chapter

Project Management Institute

PMI-KSA Chapter

Project Management Institute (PMI) is the world's leading professional association for a growing global community of millions of project professionals and changemakers worldwide. As the world's leading authority on project management, PMI empowers people to turn ideas into reality

PMI-KSA is the local chapter chartered by the Project Management Institute, and it is under the laws of the Kingdom of Saudi Arabia as an independent and non-profit organization licensed by the Technical and Vocational Training Corporation (TVTC).

Chapter Vision:

To be the leading professional institution of project management advocacy in the Kingdom of Saudi Arabia.

Chapter Mission:

To contribute to developing the project management profession throughout the Kingdom of Saudi Arabia, spreading its culture, and promoting distinguished practices by empowering project management practitioners and providing them with the knowledge, resources and tools required to excel in the profession.

What is GPMF?

The Global Project Management Forum is PMI KSA Chapter flagship forum for the project management profession. At this annual event, PMI KSA chapter brings together the most influential global community of project managers and diverse stakeholders for a two-day comprehensive event in Riyadh, Saudi Arabia.

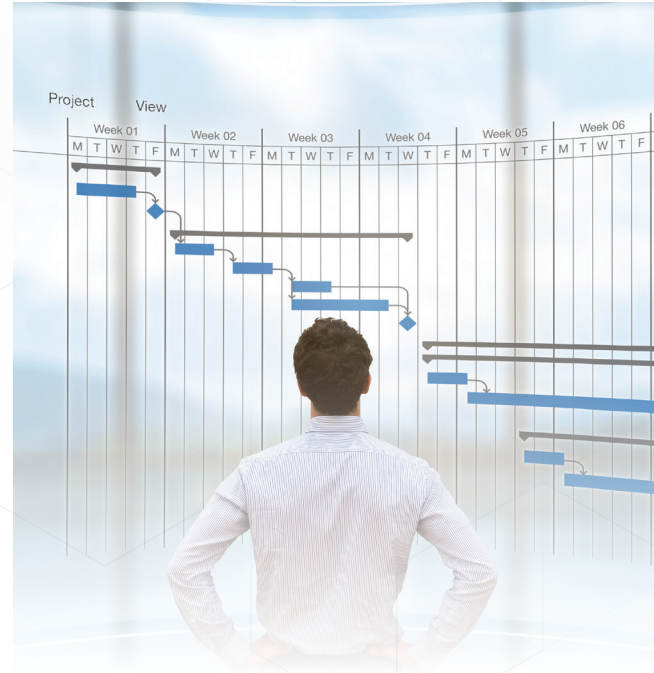

With an exciting agenda and top-notch speakers, we will explore together topics from workflows and best practice solutions to soft skills.

Also, the forum will feature experts and industry leaders sharing the latest trends and topics in the project management ecosystem, emerging technologies, and innovation while re-igniting the passion of project managers.

GPMF Objectives

Empower project the professionals with the needed skills and knowledge to excel in project management profession.

Demonstrate and promote the latest technologies, tools, and solutions in the project management profession.

GPMF Features

Forum

Interact with global and local subject matter experts and speakers through keynotes, fireside chat sessions and panels.

Networking and Exhibition

Network with the project Management community and explore the latest development, trend, and technologies in the Project management ecosystem and economy.

Executive Workshops

Prior to the event the PMI KSA executive workshops will provide an opportunity to explore the latest topics, skills, hands-on training, and practical application of the Project Management profession.

Global Project Excellence Awards

An annual ceremony to recognize the winner of PMI Saudi Project Management in conjunction with the Forum.

Book Signing & Interactive Corner

A ceremony where project management subject matter experts sign copies of their publications and a stage for the Project management community to share their thoughts and knowledge.
