

Emotional Intelligence Certification in Malaysia

What is Emotional Intelligence (EI)?

A set of emotional and social skills that influence the way we perceive and express ourselves, develop and maintain social relationships, cope with challenges, and use emotional information in an effective and meaningful way.

The EQ-i 2.0 Assessment

A psychometric assessment which measures EI and how it can impact people and the workplace.

Why Get Certified in the EQ-i 2.0 & EQ 360?

Access to well respected, leading-edge assessments in the market to add to your toolkit.

Grow your business by using them as catalysts for building your client development action plan.

Diversify your practice by using them in a variety of ways: Employee development, selection and much more.

Certification Training Learning Objectives:

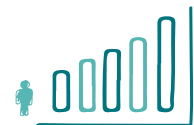

By the end of the training program, learners will be able to:
